- Facilitated interactive learning activities and encouraged student participation in group discussions.
- Provided technical support to students and staff in the effective use of computers and educational software.
- Conducted assessments to gauge students' understanding and progress, providing constructive feedback for improvement.

Web Developer (IT Technician), *Family World Park*
https://familyworldpark.com
Accra, Ghana (remote)
December 2025–Present
- Successfully developed and implemented Their Website(https://familyworldpark.com).
- Also Provides IT support to the Company.

Web Developer (IT Technician), *Dap Security Service Limited*
https://dapsecurity.org
Accra, Ghana (remote)
December 2025–Present
- Successfully developed and implemented Their Website(https://dapsecurity.org).

- Also Provides IT support to the Company.

Web Developer (IT Technician), *Petro Tech Ghana Limited*
https://petrotechghana.com
Accra, Ghana (remote)
December 2024–Present
- Successfully developed and implemented Their Website(https://petrotechghana.com).
- Also Provides IT support to the Company.

Web Developer (IT Technician), *Super Swift Delivery Services*
https://superswiftdelivery.com
Accra, Ghana (remote)
December 2023–Present
- Successfully developed and implemented Their Website(https://superswiftdelivery.com).

- Also Provides IT support to the Company.

Web Developer (IT Technician), *Cherry Construction Hub*
https://cherryconstructionhub.com
Accra, Ghana (remote)
December 2022–Present
- Successfully developed and implemented Their Website(https://cherryconstructionhub.com).
- Also Provided IT support to the Company.

Web Developer (IT Technician), *Juniper Tree Ghana*
https://junipertreeghana.org
Kumasi, Ghana (remote)
December 2020–Present
- Successfully designed and implemented UI of Their Website(https://junipertreeghana.org).
- Also Provided IT support to the Company.
